CONFIRMATION OF ORAL RESTRICTION REQUIREMENT AND ELECTION

Commissioner for Patents  
US Patent and Trademark Office  
Randolph building  
401 Dulany Street  
Alexandria, Virginia 22313-1450

Sir:

This is to confirm the recent telephone discussions between the Examiner and the undersigned regarding a two-way restriction requirement between apparatus claims 1 to 10 and process claims 19 to 25, and applicants' election, with traverse, of the apparatus claims. The election is made with traverse because there is no indication in the record that the pending claims could not readily be examined at the same time.

An early examination of at least claims 1 to 10 is earnestly solicited.

Respectfully submitted,

STEPTOE & JOHNSON LLP
